

## **PURSUIT WINTER RETREAT**

---

### **GET-TOS**

We **get to** spend an entire weekend together! We are so glad you are with us and we want you to be here just as long as you want to be here. If for any reason, a student doesn't want to be at Winter Retreat, we won't force them to be. We want this weekend to be lots of fun and have students pursue a stronger relationship with the Lord. So if anyone is struggling, let's talk. Grab your youth pastor/director to connect.

- **Get to #0** | for zero tolerance of pranks and bullies.
- **Get to #1** | Tech-Free Weekend– free from tech distractions. If students want to call their parents, please connect with your youth pastor/director and we will make that happen.
- **Get to #2** | You get 2 be where you're supposed 2 be when you're supposed 2 be there. Students and leaders have a map and a schedule that will direct them to where they should be and when.
- **Get to #3** | Rule of 3. From the start to the finish of Winter Retreat, you get to travel in 3s. That could be you, a friend, and a leader or 3 friends or 2 leaders/teachers and you.
- **Get to #4** | We get to spend the weekend together without romance. Whatever your stance is on dating this weekend set it aside and remember why we are here. Dating just doesn't impact you or your girlfriend or boyfriend, it affects everyone. This weekend is not about that, it is primarily about you growing deeper in your relationship with Jesus.
- **Get to #5** | Modesty Code. We get to represent biblical principles and values with our clothing this weekend.
